NOTE – F&B Policy: Outside food or beverage may not be brought into the convention facilities without expressed written permission.

Special accommodations may be made for companies dispensing sample products they manufacture, process, or distribute. Any vendor serving food and/or beverage must obtain a Southern Nevada Health District food service permit. This may be done on an individual basis: further information be found [here](#). A hand washing station is also required under most circumstances. Hotel has limited quantity, and these may be rented at \$150 each/per day plus state sales tax.

Please note that all sample sizes are limited to two (2) ounces for food and non-alcoholic beverage items. If larger than (2) ounce servings are required or if an item is than two (2) ounces but can be considered a full-size item, corkage will apply. Please see below for contact information.
